Board Member

Your board of education consists of five members. Two are elected in the year preceding, and three in the year following leap year. Local citizens elect each board member for a period of four years; but our state legislature prescribes his duties, authority, and limitations. A board member serves without pay; and he is without authority except when the board is in session or, when he is acting under specific instructions of the board.

The chief executive officer, and appointee of the board is the superintendent of schools. Subject to approval of the board, he is responsible for the selection and assignment of all school employees, the business management of the schools, the administration and supervision of the educational and public-relations program. Many of his responsibilities are carried out through delegation to other employees.

The clerk-treasurer is appointed, by the board, as its official recorder and correspondent. Your clerk-treasurer has accepted many other responsibilities, delegated by the superintendent of schools, relative to finances, buildings and grounds.

Our community owes a great debt of gratitude to the members of our board of education for their tremendous contributions of time, effort, and foresight to a continuous program of improvement in educational opportunities for our people.

Principal

The Garfield Heights High School Yearbook plays a dual role in reminding us that pleasant associations will soon cease, and at the same time providing a record which will recall pleasant memories indefinitely, stimulating all graduates to ever strive as alumni to promote continued excellence in the program of education for the needs of future classes of Garfield Heights High School as the citizens of this fine community have been doing in the past.

We anticipate lives of worthy achievement for you seniors. Many of you will travel far in your chosen profession or occupation and in your contributions to health, happiness, and progress of mankind. In the knowledge of your achievement we of the faculty will find ample reward for the small part that we have played in helping you get started.

It is our hope that the learning experiences you have had within these halls will prove to be for you an important part of a life that is useful and successful.

Memories

Its' hard to believe graduation's so soon,
My goodness, it's the tenth of June!
The time has come and gone so fast,
How about taking a look in the past?

As freshmen we had many a care,
And pleasant moments were ours to share
We had picnics and parties that were full of zest,
But, of course, our Freshmen Party was the best
Our boys that participated on an athletic team,
Were supported and held in the highest esteem
Even as far as books are concerned,
We can honestly say we really learned
We studied Latin, Spanish, and Algebra, too,
And that's to name but just a few.

Soon we were sophomores, and full of pep,
For this was the year that we got "hep"
To the Campus we followed the crowd,
We finally "belonged"—were we proud!
We joined every club with amazing interest,
And intramurals rated high on our list
We tried every way to make school work easier,
But it just couldn't be done with Julius Caesar
Our class dance so dreamy, had us all thrilled,
And dreams at their peak were being fulfilled.

Our junior year brought many new things,
Among them were our cherished rings.
We had a party, and Sweetheart Dance too,
And, oh, how the couples did bill and coo
Hot rods, records, radio, and television,
Our spare moments to these were given
While plans for the Prom were in the making
The big question was, "Who're you taking?"
That wonderful night in all its glory,
Ended our year like a perfect story.

Seniors at last—we were on top!
Our goals would be reached without a stop
When Peggy was crowned our Homecoming Queen,
The pride on our faces could easily be seen.
Our boys paced the Bulldogs with spirit untold,
Just to bring honor to their Blue and Gold
We signed pictures and yearbooks with a leaky pen,
But, oh what we'd give to do it again!
The Prom—the Senior Dance—the Senior Banquet,
They're all events we'll never forget.
All our tears and laughter, joys, and sorrows,
Will be tokens in our future tomorrows
And now with a sigh, we say "good-by,"
To our dear Alma Mater, Garfield High.

Senior Farewell Song "Dear Garfield High"

Home of our high school days
Hark to a song of praise
While we our voices raise
To Garfield High

Thou Queen of all the land
Loyal to thee we stand
A true and faithful band
Dear Garfield High

Bright are the hours we spend
Dear is each high school friend
Sweet is the charm they lend
To Garfield High

Kindred in heart are we
Joyous and bright and free
Joined by our love for thee
Dear Garfield High

Though soon we all shall roam
Far from our high school home
Still shall our fancy come
Back to our high

Shrined in our memory
Fair thou shalt ever be
Worthy our love for thee
Dear Garfield High

Some time during the day you are sure to be greeted by the friendly smile of Peggy Feucht. Peggy is considered one of busiest girls of the Senior Class, whether it be planning the program for a Y-Teen meeting or arranging a G.A.A. get-together. These are some of the reasons why she was voted the girl with the most "Leadership" in the Senior Class. Peggy has served as Program Chairman of Y-Teen, President of G.A.A., Student Chairman of Magazine Campaign, and many other activities, too numerous to mention.

Peggy's greatest thrill, of course, was the sound of the words, "I crown you Homecoming Queen of 1953, Peggy Feucht"!

VARSITY CHEERLEADERS

The five Varsity Cheerleaders who are wearing the blue and gold outfits this year are: Audrey Schieda, captain, serving for two years; Donna Niemann, two years; Carol Hertrick, two years; Pat Sutowski, two years; and Marcia Scholtz, one year.

Mrs. Ethel Witter helped these senior girls a great deal in developing timing, motions, and formations. The cheerleaders, themselves, did much to create good sportsmanship and school spirit with their pep rallies and their enthusiasm when cheering the teams on to victory.

DRUM MAJORETTES

The Garfield Heights Majorettes 1953-1954 under the direction of Mr. Guy Stella, did an outstanding job this year. They include: head majorette, Betty Lou Nutt, and strutting in the line behind her are: Beverly Bradler, Nancy Nowak, Barbara Sadowsky, Anne Marie Strizzi, and Ruth Wolfinger. They are active during the football season and all parades, including the Homecoming and Memorial Day Parades and all other activities which come up during the year. Left to right: Nancy Nowak, Mary Strizzi, Betty Lou Nutt, Ruth Wolfinger, Barbara Sadowsky and Beverly Bradler.

FIRST ROW, left to right: Dan Mundy, Wayne Trubiano, Dan Marsh, Ray Scherler, Ron Vasenda. SECOND ROW: Coach Carl McColloch, Tim Nolan, Gary Philbrick, Dan Andre, Ed Nemetz, Bob Hart, Don Prange, Manager.

Coach Carl McColloch's Varsity basketball team ended their difficult season with a record of two victories out of eighteen games. Garfield defeated Maple Heights and Bedford in conference play. Many games were lost by close scores in which the addition of only one more tall player might have made the difference between victory and defeat.

Wayne Trubiano was the high scorer with 211 points in 10 conference games and also scored over 500 points in his three year varsity career. Ron Vasenda after a late start due to football injuries ended the season with 81 points in 8 conference games. All of the team tried hard to overcome their handicaps but it just wasn't a Varsity year. Things look brighter for Varsity basketball next year as both the Frosh and JV teams had good seasons and their players moving up to the Varsity should show a vastly improved record next year. The team changed personnel several times during the season but at one time or another seven different senior boys played on the team. These seniors were: Ron Vasenda, Wayne Trubiano, Dan Mundy, Ray Scherler, Tim Nolan, Dan Andre and Elmer Spreitzer.

Varsity Wrestling

THIRD ROW: Chuck Koberna, Don Schneider, Bob Kenski, Bill Guarnei, Alan Schneider, Tom Miljack, Ron Schimek, Bob Mack, Bill Dairy and Ronald Boslaugh.

The wrestling team this year, under the coaching of Mr. William Morris worked very hard for the regular season and the Conference Tournament, The State Tournament and the A. A. U. In the regular season the squad won five and lost four matches. The team consisted of five returning lettermen Dennis Brooks, Captain, Frank Fiore, Mike Haverlack, Jim Duda, Larry Stadden and other members new to the squad. The lettermen were responsible for the training of all newcomers. Coach Morris expects a great future with the boys who are now new in the sport and is striving for a championship team next year.

National Honor Society

Membership in the National Honor Society is indeed a great honor, because it is significant of having attained achievement in outstanding scholarship, character, leadership, and service. In addition to these qualifications members must also have the recommendations of the faculty.

At the annual Induction Assembly, the chosen group of juniors and seniors were called forth to the stage to place their names on the membership roll, and to receive their membership pins. The assembly was followed by a luncheon for all new and old members.

The Induction Assembly and luncheon, the N.H.S. all-school dance, and a picnic in the Spring, were the main projects and social events of the organization this year.

Mrs. Ruby Matson, faculty advisor, headed the society with the aid of the following officers: Jim Duda, President; Carol Cipra, Vice-President; Carole McBride, Secretary; Marcia Scholtz, Treasurer. Other senior members are: Audrey Schieda, Peggy Feucht, Donna Niemann, and Donalee Brush.

Valentine Committee

The Valentine Committee consists of faculty and students from each grade level. The faculty is Miss Kathryn Riggle, chairman; Miss Anne Neville, Mr. Guy Stella, and Mr. Steven Zorich. The student committee consists of Janet Feucht, Chairman; Carol Cipra, Dick Zelle, Dan Marsh, Ann Duda, Gerry Piatkowski, Don Prange, Carol Janicki, Ralph Thomas, Domenic Federico and Evangeline Parrot.

The purpose of this committee was to choose students who have been recommended for their qualities of graciousness, friendliness, thoughtfulness, and enthusiasm in present day living and also to honor those students who have these traits and to impress upon the students the need for these qualities, and to give an inspirational program planned to honor the candidates.

Garfield Mirror Staff

Room 237 is one of the busiest rooms in the school, for it is there that the Garfield Mirror, student newspaper publication, is edited. Mrs. Louise Conley and Mr. Philip B. White, staff advisors, supervise the writing and editing of the paper. Publication of the paper is bi-monthly, with a special issue at Christmas, and one in June, which is dedicated to the senior class.

The Mirror is a member of the National Scholastic Press Association and is a top-rated newspaper. This year marks the twenty-seventh consecutive year of successful publication.

Financially, the Mirror is supported by student subscriptions and the advertising of local merchants. John Lentz is the student business and advertising manager.

To become a member of the Mirror Staff, a student must have a definite interest and desire to write, plus a good English grade. The fourteen staff members this year have done an excellent job of maintaining the high standards of publication for which the Mirror is known.

This year's staff was composed of the following members: Donna Niemann, Peggy Feucht, and Donalee Brush, who were Senior members with three years of service. Adelaide DiFino, Russ Meermans, John Lentz, Audrey Schieda, and Betty Lou Nutt, also seniors, who have served on the staff for two years. Also a two year staff member is Katherine Lesmer, a sophomore. Newcomers this year were Sylvia Holycross, senior; Norbert Owens, junior; Don Schneider, sophomore; Judy Hepplewhite and Jane Davis, freshmen.

Office Assistants

Office assistants are a group of students who are willing to give up study halls to work in one of four offices. This group is composed of seniors and a few juniors who have some business training such as filing, typing, and mimeographing.

Girls with an ambition for office experience are anxious to act in the capacity of office assistants or teacher secretaries. These activities provide experience in record keeping, filing, duplicating, and typing.

This knowledge, gained while in high school, will weigh heavily in their favor when applying for work after graduation.

Switchboard Operators

The public's first contact with our schools comes with a cheerful "Good morning, Garfield Heights City Schools" as a dozen or more business education students answer the school's PBX every period of the day.

This work offers valuable experience and training which will help in work after graduation, in fact a waiting list of applicants is always on file in the office of Assistant Principal, Mr. Philip B. White, who supervises the switchboard operations. Senior, Peggy Feucht is head operator.

The switchboard is operated by the girls from seven forty-five to five o'clock five days a week. The girls are assigned different periods to operate the PBX. The operators are: Marcia Scholtz, Joan Willis, Marlene Szymalak, Rosemarie Testa, Audrey Schieda, Janet Slagle, Joan Radai, Elaine Couch, Janet Feucht, Marion Cmok, Marilyn Sammon, Diane Zulewski, Marlene Sech, Juanita Wachuta.

P. A. Staff

FIRST ROW, left to right: Elaine Eady, Addie DiFino, Marcia Scholtz. SECOND ROW, left to right: Ron Jarzynski, Jack Hall, Bob Johnson.

You are always sure of keeping well informed on all happenings around the halls of G. H. H. S. when you listen to the announcements from our capable P.A. Staff.

Every Monday, Wednesday, and Friday mornings, during homeroom these announcements are made under the direction of Mr. Harold Kimball, with the assistance of announcers, Addie DiFino, Elaine Eady, Marcia Scholtz, and Bob Johnson. As engineers on the control board are: Jack Hall and Ron Jarzynski, under the direction of Mr. Raymond Stiefel.

These students find their work interesting and instructive, and are always ready when called upon to make special announcements of interest and importance.

Librarians

The librarians make up a service group without social organization. They are composed of one representative in each homeroom. Each person is distinguished, faithful, and regular attendance. His duty is to take to his fellow students and teachers all communications which have been gathered up during the previous day. Daily they serve the entire school and deserve praise they seldom receive. At the end of each day a small number volunteer to prepare rooms and books for all students who will the next day avail themselves of library services.

Ushers

The Ushers Club, under the expert direction of Mr. Frank Trella, is made up of 17 active members. Its membership is open to students from the tenth to twelfth grades. Its officers are: Barbara Placek, President; Rose Parasiliti, Vice President; and Janet Orinski, Secretary, Treasurer.

The purpose of this club is to usher for many school activities and community social events. Some of the outstanding accomplishments this past year were the Showboat, the Spring Concert, and Commencement.

The girls in their smart sweaters and skirts, and the boys, in their suits, set a fine example at all events.

Bankers

The Bankers composed of Mr. Allen Scholl's 8th grade homeroom, did a very good job this year.

On Tuesday mornings, during homeroom, students of G. H. H. S. are allowed to bring in their money to make deposits in their savings account.

This method of banking in school is very convenient for the students, also it teaches the bankers banking procedures.

The bankers also have the responsibility of collecting money and selling tickets for the Yearbook, Showboat, P.T.A. Membership and other school activities.

Y-Teen Cabinet

The Y-Teen has had a very successful year under their sponsors, Miss Kathryn Riggle (faculty sponsor) and Mrs. Waters (club mother). Some of the activities for this year were the Annual Soccer Supper, Parents night, the Annual Reunion and Playday. At Playday girls from other Cleveland schools come and have a meeting together which brings about many new friendships. The Garfield G. A. A. consists of about 200 members. The new members this year were given "big sisters" to help them. These girls also sponsor the girls intramural program. This organization is open to girls 9 through 12 grades.

The purpose of the Valentine Assembly was to choose students who have been recommended for their qualities of graciousness, friendliness, thoughtfulness, and enthusiasm in present day living; also to honor those students who have these traits and to impress upon the students, the need for these qualities, and to give an inspirational program planned to honor the candidates. The Choir this year is composed of fifty-five voices. The officers were chosen at the close of the 1953 school year; the results are as follows: Donna Niemann, President; Annabelle Bump, secretary; Joan Willis, Treasurer. Orchestra

The orchestra has carried on its usual activities this year playing for assemblies, the Band Festival, and graduation. Although few in number they have shown great interest. Lynn Scolaro is the concertmistress and Irma Wiltshire the assistant concertmistress of the orchestra. Lynn is known throughout the state for her playing and has participated as a soloist in the Northeastern Ohio Orchestra at Kent and also the All State Orchestra. Mr. Guy Stella is the director of the orchestra.

Cadet Band

The 1953-1954 year was a year of development for the Cadet Band. Because of the change of the 7th grade to the elementary school building, this year the size of the Cadet Band has been greatly lessened. This band is used as a training group to prepare younger musicians for the Senior Band. They performed this year at the Halloween Party, Solo and Ensemble Contest, and the Band Festival. The Cadet Band is under the direction of Mr. Guy Stella.

MAGAZINE CAMPAIGN: The Seventeenth Annual All-School Magazine Campaign closed December 9, 1953, with sales reaching a new high. This year there was over $3,700 recorded which passed last year by nearly $200. Junior, Dick Kessler was top salesman and eighth grader, Bill Jackson was a close second. Money received from the campaign helps support the General Fund which pays for letters, assemblies, etc. The campaign was under the direction of Mrs. Louise Conley and Mr. Philip White of the school's General Fund Committee. It was efficiently handled by students whose duties were seldom recognized. The officers were Peggy Feucht, student chairman; Marlene Szymalak, assistant chairman; Marcia Scholtz, secretary; Donna Niemann, treasurer; and bookkeepers: Joan Willis, Rosemarie Testa, Audrey Schieda, Marilyn Sammon, Janet Slagle, and Kathryn Lesmer.

Track 1953

The Track team is organized to give more students an opportunity to participate in athletic competition, and to condition athletes for other sports.

Track coach, Clifford Foust, presented a well trained team which brought the school its best record since 1948. The team entered six meets, winning two and losing four. The thirty trackmen chose Dave Zalewski as the Most Valuable Trackman for his outstanding performance in the 440 yard relay, and elected Al Long as their captain.

Things look very promising as this season's team will have more experienced trackmen than ever before around which to build a winning team.

Freshman Football

PLAYERS WERE: Elmer Bartko, Jerome Boncella, John Connelly, Burt English, Bob Gibson, Nick Helepis, Tom Harrison, Bill Hradek, Don Hudak, Steve Hupcey, Bob Kenski, Ray Milano, Ken Magyar, Jerry Miller, Jerry Neikerk, Leonard Ollie, Richard Pawlak, Stan Perko, Ed Podojil, Charles Rini, Jim Schieda, Ralph Sherron, Doug Swederski, Ralph Thomas, Angelo Torrise, Jack Wilson, Dale Wrobleski, Paul Vish, Ed. Next year, most of the team will move to J. V. positions.

J. V. Football

Spanish Club

The Spanish Club got off to a fine start under the direction of Mr. Joseph Bongorno. Only students who had completed two years of Spanish were eligible for membership. Although there were but ten members, they enjoyed meeting and planned a swimming party at Fenn College. No officers were chosen because of the small membership of the group.

Biology Club

Under the direction of Mr. Edward MacArthur, the Biology Club has again started to promote interest in biology and the conservation of our world. Its ten members chose Joe Sanka as chairman to lead in business procedure and biological experiments. These members have done work on the microscope and the microprojector. Golf 1953

Last season the school presented its first Golf team in several years. Because of lack of experience, the linksmen were unable to win any of their nine matches.

David Shenk was the outstanding player, scoring the most team-points. Other linksmen: Walt Szelagowski, Ed Carter, Ken Nowacki, and Loren Bevis, also had fine records.

Golf Advisor, Mr. Walter Williams promises another team this year with the same fine spirit and sportsmanship as displayed last season.
